The Department of Human Services for the Town of Foster provides resources to residents in need and acts as a liaison to federal, state, and local programs. Material assistance is made possible through grants and the generosity of individuals and community groups who contribute money, food, clothing, and household items throughout the year. People are helped with food, heat, transportation, medical needs, clothing, and other basic needs as they arise. To inquire or to make a donation, please contact Carol Mauro, DHS Director, at 392-9208 or cmauro@townoffoster.com.
